

Maintenance and Care

1. Routine Cleaning

- The high-quality LockersMFG Wooden lockers are very durable and resistant to most chemicals and cleaners. However, care should be taken to avoid damaging the finish.
 - Acceptable cleaners:
 - Household cleaners such as Lysol, Mr. Clean, Pine Sol.
 - Wood cleaners such as Simple Green, Murphy Wood Cleaner, Method Wood Cleaner.
 - Mild soap and detergents such as Dawn, Palmolive, Gain, Tide.
 - Mild solvents such as mineral spirits (no acetone or harsh solvents)
 - Household solvent-based cleaners such as Goof Off or Goo Gone
 - Un-acceptable cleaners:
 - Acidic cleaners such as Lime Away, any acid compound.
 - Any cleaner containing hydrogen peroxide.
 - Alkaline cleaners such as toilet bowl cleaners.
 - Strong solvents such as acetone, MEK, xylene, etc.
 - Abrasive cleaners include SOS, Comet, Soft Scrub, and any polishing compound.
- After using a cleaning compound, rinse with water and dry with a soft towel or microfiber towel.
- Touch up any scratches immediately to prevent corrosion on bench pedestals. Factory-matched touch-up paints are available from LockersMFG. Contact LockersMFG at 662-338-4340 or info@lockersmfg.com to get information on matching touch-up paints.

2. Annual Maintenance

- Inspect each bench for damage.
- Note any loose or missing hardware (nuts & bolts, rivets).
- Clean bench with non-ammonia containing mild cleanser.
- Use a product such as “Goof-Off” or WD-40 to remove any ink or other stains from finish.

3. Replacement Parts

- If damage or missing parts are noted and replacements needed, contact LockersMFG at 662-338-4340 or email info@lockersmfg.com.
